1966 UNIVERSITY OF MARYLAND DIAMOND PREVIEW

Back from Maryland's 1965 Conference championship baseball team are 13 lettermen including two second team All-Atlantic Coast Conference choices, outfielder Mike Long and catcher Steve Sauve. Last season the Terps compiled an 16-8 overall record and a 10-4 record in the A.C.C.

Contrary to last year's unique pitching staff, all lefties, three sophomore right-handers, Frank BonVardo, George Manz, and Mark Harris will be backing up last season's aggregation. In his sharpest freshman performance, BonVardo struck out 18 Navy Plebes and went on to win 8-0. Harris and Manz, both from Baltimore, have shown a lot of promise in the past year. Manz, a strong six footer, should give Maryland a good starter capable of taking up the slack left by the loss of All-Conference pitcher Jerry Bark to the player draft. Harris, a tall, lanky lad, will offer additional right-handed support.

Hurling from the port side will be Brad Frost, a junior who finished 1965 with a 4-2 record and a 2.73 era, and Chris Sole, a senior from Frederick with a 2.39 era. Other left-handed pitchers are Larry Butts, Dick Wright and Charlie Sullivan.

The experts say that pitching accounts for about 70 to 75 percent of baseball. At Maryland, Coach "Jack" Jackson believes that at least half of pitching depends on the catcher. The Terps are blessed with two fine receivers in 1966, Steve Sauve and Bud Sutyak. Sauve, who has more bounce than a dozen rubber balls, won All-Conference honors as a sophomore with a .241 batting average. Playing both the outfield and catching, will be Bud Sutyak. Bud is also a footballer.

As we tour the infield, it is evident that Coach Jackson has once again come up with a highly polished quartet. At first base will be Larry Davis, a junior letterman in both baseball and soccer. Larry led the Terps in hitting last year with a .295 average.

The Terp second-short combination is still questionable. Skip Rogosky and Jerry Kremer, both sophomores from Baltimore, have been working as a team for the last three seasons, but Bill Camera, a transfer student from Temple University, has been coming on

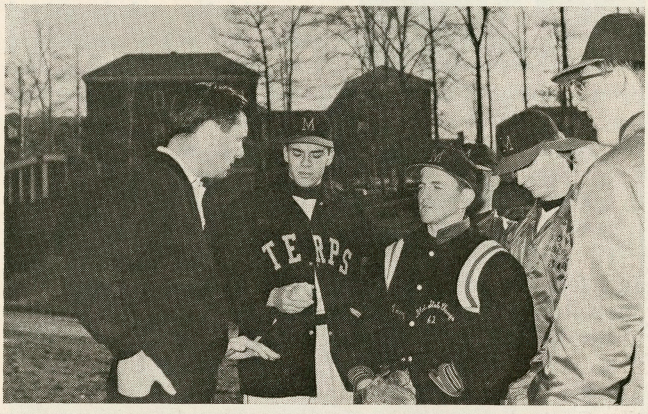
strong. Tom Bichy, team captain from Frederick and a senior, will be shifted to third. Tom hit a .276 clip as a second baseman in 1965.

Working as a reserve infielder will be senior letterman Stanley Graves. Stan is known for his hard-nosed play, and will be working along side Don Smith and Phil Wright.

One of the strongest points on this year's team should be the outfield. With Mike Long posted in center, Dan Kerns in right and either Sutyak or Paul Breslow in left, this Terrapin trio should offer good power. Other outfielders are Gus Sclafani, Billy Siedling, Skip Barnhart and Fred Huffman.



ART DITMAR, a pitching great with the New York Yankees a few years back, gives some helpful hints to members of the Terp's pitching staff in early spring drills prior to opening with Dartmouth on March 28.

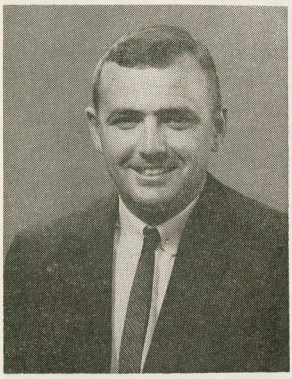
E. S. "JACK" JACKSON, Coach



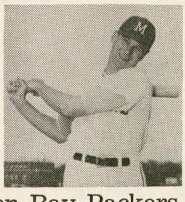
Coach "Jack" Jackson, in his 6th season at the University of Maryland, had one of his most thrilling moments in 1965 when his Terrapin team won its first Atlantic Coast Conference baseball championship.

Jackson, a native of Baltimore, succeeded H. Burton Shipley who retired after 38 years with the University. Jackson has been associated with baseball at Maryland since 1955. As an undergraduate, he assisted Shipley with the Maryland Varsity and in 1957 coached the Maryland Freshmen to a 9-1 record. Following his graduation, in 1958, he remained to work on his Masters and continued as an Assistant Coach of the baseball squad.

Upon graduation from Patterson Park High School, Jackson signed with the Philadelphia Athletics as a shortstop. He remained in the Athletics' farm system until 1952 when he entered the Army. While playing professional ball, Jackson made the Tobacco State League All-Star team in his first year. In 1949 he led the Central Association League shortstops in fielding and in 1950, while with Fayetteville, in the Carolina League, he tied the league record for assists by a shortstop in a single game.

Coach Jackson and his wife Peggy have two children, Jenifer 4, and Jackie 2.

THE JACKSONIAN ERA



1962—TOM BROWN—Besides being an Honorable Mention All-America football player while at the University of Maryland, Brown also made the first team All-America Baseball team in 1962. Currently, Tom is a starting defensive safety for the National Football League Champion Green Bay Packers. While at Maryland, Tom set an Atlantic Coast Conference record by hitting .449.

1964—JIM PITT—As a Terp sophomore, Jim broke Tom Brown's batting mark by hitting .461. For his accomplishments, Jimmy was placed on the second team All-America lineup. He is now playing in the Minnesota Twins' farm system.

PRESIDENT WILSON H. ELKINS chats with Coach H. Burton Shipley and Bozie Berger during last year's first Old-timer's Day. Twenty-five old-timers were on hand to see the Terps dump Duke 2-0.

TERP OLD-TIMER'S DAY TO BE HELD ON MAY 7TH

Over the years, Maryland has had quite a few outstanding baseballers including Charlie "King Kong" Keller, Louis "Bozie" Berger, Tom Brown, and most recently Jim Pitt, now with the Minnesota Twin's farm system and Ron Swoboda of the New York Mets.

Once again this season, members of the Terp baseball teams of the past will be returning for the second annual baseball old-timer's day to be held on May 7th. On that Saturday afternoon, Coach Vic Sorrell's North Carolina State Wolfpack will be at Maryland's Shipley Field. Among those attending the banquet will be Coach Sorrell, ex-Detroit Tiger pitcher, who has already announced that he will retire at the conclusion of the 1966 season, and Coach H. Burton Shipley, baseball coach at Maryland for 38 years.

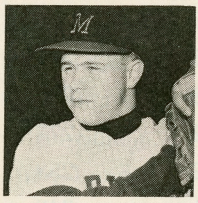
Meet the Terps

FRANK BONVARDO, SOPHOMORE, PITCHER . . . The blazer hails from West Collingswood, N. J. . . . As a freshman, he had his best day against the Navy Plebes when he fanned 18 Middies and went on to win 8-0.



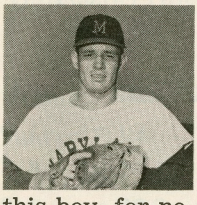
TOM BICHY, SENIOR, INFIELDER . . . Tom is the spark plug and will be holding down the third base spot this year. Last season Tommy hit .276 and his timely hitting and steady fielding were instrumental in Maryland's first conference title.

PAUL BRESLOW, JUNIOR, OUTFIELDER . . . The scooter stole 23 bases last season. . . . This year Coach Jackson is moving Paul to the outfield to take advantage of his speed and his throwing ability. Although only 5-7, he packs a lot of power, and should add to an already strong outfield.

LARRY BUTTS, SENIOR, PITCHER . . . This left handed Baltimore pitcher has been playing for the varsity for the last three seasons. Last year, Larry finished with a 1-0 record and didn't allow an earned run.

BILL CAMERA, JUNIOR, INFIELDER . . . Bill does an outstanding job anywhere you put him. . . . He catches and can play anywhere in the infield. . . . Bill is a transfer student from Temple University. . . . He should help a lot in 1966, especially with the stick.

JACK CLARK, SENIOR, PITCHER . . . This tall-lanky hurler got off to a slow start due to the basketball season, but Jack could work into the starting rotation in a few weeks.



LARRY DAVIS, JUNIOR, INFIELDER . . . Larry plays as good a first base as you'll find in any conference. Last season this two-sports man, soccer and baseball, led the Terps in hitting with a .295 average. This season should be a good year for this boy, for no one out hustles Larry Davis, no one!!

BRAD FROST, JUNIOR, PITCHER . . . Big Brad was one of the key factors for Maryland's showing in 1965. His 4-2 record was instrumental in getting the Terps to the NCAA Regionals. Probably his best games were wins over the University of North Carolina, 4-3; Syracuse University, 2-1, and Clemson University, 2-1.

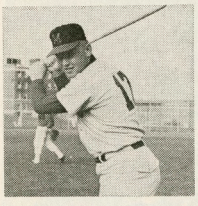
STAN GRAVES, SENIOR, INFIELDER . . . If anyone gives his all at all times, it would have to be Stanley. . . . Stan has been with the club for the past three seasons filling in at a number of positions and doing a good job whenever called on.

MARK HARRIS, SOPHOMORE, PITCHER . . . This big right-hander had an outstanding year as a freshman. Relying on good control, Mark is expected to add strength to last year's predominantly left-handed pitching staff.

JOE HECKEL, JUNIOR, PITCHER . . . Joe dropped out of school last year and this season has been suffering with arm trouble, but it is hoped that toward the end of the season Joe will be able to see considerable action.

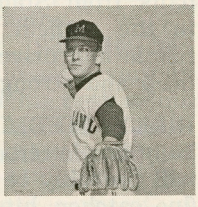
FRED HUFFMAN, SENIOR, OUTFIELDER . . . Fred is left-hand swinger from Hagerstown, Md. . . . He will probably see most action as a pinch hitter this season.

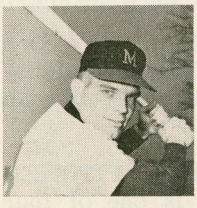
JIM KEHOE, SOPHOMORE, INFIELDER . . . The son of Maryland's Mr. Track, Jim Kehoe. . . . Jimmy is a third baseman and plays the outfield. . . . Will see considerable action this season as a sophomore.



DANNY KERNS, SOPHOMORE, OUTFIELDER . . . Danny is a member of a baseball family, and could be a big factor in Maryland's chances this season . . . he is a right-hand swinger with excellent power and good speed. His brother Gene plays in the Philadelphia Phillies' chain.

JERRY KREMER, SOPHOMORE, INFIELDER . . . This youngster plays a lot of shortstop, and looks to be an ample replacement for Jon Kreissig who graduated in 1965 . . . Jerry is a right-hand swinger and can really "carry the mail" on the base paths.





MIKE LONG, SENIOR, OUTFIELDER . . . Last season Mike was a second team All-Conference choice while hitting a sub-par .253. . . . His timely hitting and smooth fielding were important parts of last season's offensive punch.

WINFRED PRANGE, JUNIOR, PITCHER . . . Work, work and more work—that describes this young man . . . This dedicated boy has been making a come back following a leg operation, and this season could be the start of the road back for him.

GEORGE MANZ, SOPHOMORE, PITCHER . . . This six footer hails from Baltimore . . . As a freshman, George had a successful season, and should be one of the top hurlers on the 1965 squad . . . Could be the big stopper this year.

BOB REED, JUNIOR, PITCHER . . . This young left hander is a transfer student and will probably be doing a lot of long relief work in 1965 . . . Bob is a real competitor and should help this season.

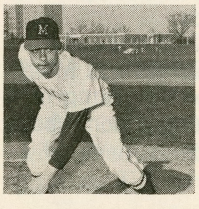
MIKE ROGOSKY, SOPHOMORE, INFIELDER . . . By moving Tom Bichy to third, Coach Jackson left an opening at second base . . . Rogosky and shortstop Jerry Kremer have played second and short together for the last three years and the twosome should add strength up the middle for the Terrapins . . . Mike, like Kremer, can really scamper around the bases.

STEVE SAUVE, JUNIOR, CATCHER . . . Steve won almost every award possible while attending high school in Mechanicsburg, Pa. . . . He was all-state football, state wrestling champion and big 33 football in Pennsylvania . . . Since coming to Maryland, Steve has won All-Conference honors in baseball last season and is a member of the Terrapin wrestling team.

GUS SCLAFANI, JUNIOR, OUTFIELDER . . . Gus hails from Stamford, Conn. and filled in last year in the outfield and occasionally at third . . . The hustle and drive of players like Gus make the Terps deep and strong in 1966.

BILLY SIEDLING, SENIOR, OUTFIELDER . . . Billy has lettered the last two seasons and this season will probably be starting in left field . . . Billy, also a fine catcher, hit a .315 clip his sophomore year, but dropped off last year.

DON SMITH, SOPHOMORE, INFIELDER . . . Don didn't play last season, but his smooth fielding ability and speed will make him an adequate back-up man in the infield.



CHRIS SOLE, SENIOR, PITCHER . . . "The Weasel" is one of four Frederick lads playing on this year's varsity. Last year Chris finished with a 3-2 record and a 2.39 era, second best of the starters behind Jerry Bark.

CHARLIE SULLIVAN, JUNIOR, PITCHER . . . Charlie was forced to sit out a year, but lettered two years ago . . . He's a lefty who graduated from nearby DeMatha Catholic in Hyattsville.

BUD SUTYAK, SOPHOMORE, CATCHER . . . This young man was a real surprise this season . . . Bud stands 6-3 and plays the outfield as well as catching. He is a hard hitting switch hitter who will be playing a lot this campaign.

DICK WRIGHT, JUNIOR, PITCHER . . . Dick completed the 1965 season with a 1-0 record . . . Most of Dick's appearances were in relief . . . This left hander from Baltimore should see action in 1966 again as a reliefer.

H. L, "WHITEY" STEVENS, Asst. Coach

H. L. "The Hoss" Stevens will be assisting Coach Jackson again this season with the varsity and freshmen teams.

"Whitey," as the boys call him, has been associated with baseball since 1924. He was born and raised in nearby Laurel, where he got his initial start in baseball.

In 1927, he played his only year of professional ball with Easton of the Baltimore chain.

"Whitey" has been coaching since 1937. He has coached American Legion, Boy's Club, and various other sandlot teams. Probably one of his best teams was one he voached following World War II in Luxembourg. "Skinny" Brown of the Baltimore Orioles was a member of that team.

In 1965, Coach Stevens' University of Maryland freshmen team compiled an outstanding 9-1 record.
